About us

Wellness inspired by Bali, for more than 15 years: much-loved Asian therapies, warm hospitality and new wellness technology, at four spas in Bahrain and Italy.

Cocoon began in Bali. Cocoon Medical Spa opened its doors in January 2013, in Seminyak and Ubud.

Since then, Cocoon has grown across Bali, the Middle East and Europe, with Cocoon Wellness Spa in Bahrain and at Milan Malpensa Airport.

Our approach has stayed the same from the first day. Much-loved traditional Asian therapies, given in a modern way you remember, alongside new wellness technology for real results for skin and body.
